Agile/Scrum | Git | Jira | Figma | System Design | VSCode | ClickUp

PROFESSIONAL EXPERIENCES

PiCode Solutions, Inc.

Philippines (Remote)

Senior Full Stack Developer

September 2023 – February 2026

Client: US Montessori Schools

- Building a multi-tenant SaaS application using React/Next.js and .NET Core, leveraging TypeScript and TanStack React Query for efficient data fetching and state management. Implementing pixel-perfect UI components from Figma designs with Tailwind CSS, ensuring consistent design systems and optimal user experiences.
- Integrating Fortis for payment processing and QuickBooks for accounting—syncing transactions, customers, and financial data with product workflows.
- Leading frontend development initiatives, conducting code reviews, and mentoring team members on best practices and modern JavaScript/TypeScript patterns.

OUTCERT LTD

Israel (Remote)

Senior Web Developer

September 2020 – February 2023

Certification Hub

- Developed and maintained full-stack features for a WordPress application, customizing themes, plugins, and integrations.
- Architected and developed scalable backend systems using NestJS, TypeORM, and Express.js with GraphQL (Apollo) for efficient API design and data fetching.
- Built React frontend applications with Tanstack React Query and TypeScript, integrated with Auth0 for secure authentication and authorization.

Concentrix

Philippines

Software Engineer II

December 2015 – August 2021

Software Development Department

- Designed and developed software applications for clients using Express.js, JavaScript, PHP, and various database technologies (PostgreSQL, MySQL, MSSQL).
- Built full-stack solutions using the MEAN stack (MongoDB, Express.js, Angular, Node.js) and PHP frameworks (Symfony, CodeIgniter, Laravel).
- Customized and integrated CRM systems (SugarCRM, SuiteCRM) and shipped rich client work with Ext JS, Backbone.js, and Underscore.js, streamlining business operations and improving customer relationship management.

EDUCATION

Bachelor of Science, Electronics Engineering

University of Science and Technology of the Southern Philippines (USTP) | 2005 – 2010
